

Rolling Stock Enterprise Agreement 2019

Enterprise Bargaining Update

Dear Team,

Today's scheduled bargaining meeting with your union representatives and delegates did not go ahead due to union representatives scheduling other meetings for this time.

We are very disappointed we could not come together today as we are keen to exchange our log of claims and commence discussions toward reaching a new agreement.

It is important that we do not delay this process unduly to provide all parties with the opportunity to bargain in good faith for a new agreement.

What will happen next?

Our next bargaining meeting is scheduled for **Friday 29 March**, and we will send you another update after this meeting.
