

# Rolling Stock Enterprise Agreement 2019 Enterprise Bargaining Update

Hi Team,

Today's scheduled bargaining meeting with union representatives and delegates has been rescheduled.

Last Friday, we made good progress in our discussions toward our goal to achieve an Enterprise Agreement that is fair and reasonable, and supports our people through the changes taking place across our network.

We want to continue to make significant ground, and requested the additional time to thoughtfully consider the union's claims ready for discussion at the next meeting.

## **What will happen next?**

Our next bargaining meeting is scheduled for **Friday 17 May**, and we will send you another update after this meeting.
