

# Rail Operations Enterprise Agreement 2019

## Enterprise Bargaining Update

Hi Team,

Last week Metro and the Loco Division of the RTBU returned to the Fair Work Commission (FWC) to recommence bargaining for your Rail Operations Enterprise Agreement.

Metro and the RTBU continue to work through the high priority claims and other claims relating to Schedule One of the Agreement.

### **What's next?**

We are focused on reaching an agreement as soon as possible and will meet again with the RTBU in the FWC this coming Friday 21<sup>st</sup> February.

We are serious about reaching a fair outcome for all our Rail Operations employees. We want to get this agreement done and will continue to bargain in good faith with the RTBU.

### **It is important your questions are answered**
