

## Rail Operations Enterprise Agreement 2019 Enterprise Bargaining Update

Team,

Following on from my earlier email today confirming that we extended a new formal offer to the RTBU for your next Rail Operations Enterprise Agreement, I'll be holding a Livestream session online, from **12pm to 1pm on Monday, 16 March 2020**. This Livestream will be the first of several opportunities over the next week and a half to find out more about your Proposed Agreement.

The Livestream will allow you to find out more detail and also give you a chance to ask questions.

Please join the online Livestream, if you can. If you're a rostered employee, please have a chat to your manager to confirm if you are able to attend.

**To join the online Livestream**, please use this link: <https://web.microsoftstream.com/video/64f8f84f-6d0b-425d-a9c1-2bc408eb953a> (please note that this link will not be active until Monday 16 March)

**You can submit your questions** prior to, and during the session, by [clicking this](https://app.sli.do/event/cbvxshcn) link <https://app.sli.do/event/cbvxshcn> and selecting event code #EALivestream

If you are not able to join, a video of the Livestream will be made available on The Depot and on PaperLite.

I look forward to sharing more information with you about how the Proposed Agreement provides you with a fair and competitive pay increase which includes back pay, security for the future, and enables us to deliver on the State's commitments to build a modern railway for our city.

Regards,

**Catherine Baxter, Chief Operating Officer**  
**On behalf of Metro's Rail Operations Enterprise Bargaining Team**
