

## How to access MetroMe

You can access MetroMe through the Metro Network, externally on any device with an internet connection or on your mobile device. See below for details on the different options.

### Metro Network

When on the Metro network there is single sign-on.

Click on the link below to open MetroMe.

<https://performancemanager10.successfactors.com/login?company=metrotrain>

### Internet

MetroMe can be launched from any device with an internet connection using the below URL

<https://performancemanager10.successfactors.com/login?company=metrotrain>

You need to enter your Metro Trains email address and password.

### Mobile Phone

#### Available from 1 July 2019

The SuccessFactors App has been loaded onto Metro Employees mobile devices or can be accessed via the MTMAppStore.

The SuccessFactors App is available on the App Store (Apple) or the Play Store (Android) to download onto your personal device.

You need to enter the Company Name (Metrotrains) and your Metro Trains email address and password.
