Dear all,

As we transition to the Recovery phase of the crisis, Premier Daniel Andrews announced some much anticipated news around the staggered return to school for all students and a fifth reason to leave the house.

That fifth reason being up to five visitors to your existing household or gathering outdoors with a maximum of ten people all observing social distance.

A renewed State of Emergency, however will be in place until 11:59pm on Sunday 31 May 2020.
