

Dear Colleagues,

Late this afternoon, Victorian Premier Daniel Andrews thanked our Team for our important work through the evolving COVID-19 situation with the attached letter.

This is a great acknowledgement for each and every of one you.

Thank you for putting our passengers first and keeping Melbourne moving during this challenging time, with our Metro values front of mind.

Please continue to look out for each other and your families.

My best regards,

Raymond

### **Thank you.**

Two words that can't express the enormity of our gratitude.

But to every Victorian working to keep our community moving – thank you.

For the hard work, the long hours and the time spent away from the people you love – thank you.

For your commitment and calm – **thank you.**

Because even though staying apart is keeping us together, please know, we value you – and all you do in keeping our state safe and strong.

You have our support, our appreciation – and our heartfelt thanks.
