

Construction Induction (White Card)

Version: 1.0

DESCRIPTION

This course specifies the mandatory work health and safety training required prior to undertaking construction work.

This training meets the general construction induction training requirements of:

- Part 1.1 Definitions and Part 6.5 of the Model Work Health and Safety Regulations;
- Division 11 of Part 3 of the Occupational Safety and Health Regulations 1996 for Western Australia; and
- Division 3 of Part 5.1 of the Occupational Health and Safety Regulations 2007 for Victoria.

This training does not displace site-specific induction training that will be conducted prior to conducting construction work.

AUDIENCE

There are no specific requirements for entry into this course.

COURSE OBJECTIVES

This course will give participants the knowledge and skills to:

- identify health and safety legislative requirements of construction work
- identify construction hazards and risk control measures
- identify health and safety communication and reporting processes
- Identify incident and emergency response procedures.
