**Subject:** Message from Raymond: COVID-19 restrictions to be introduced from 6pm in Greater Melbourne

Dear Colleagues,

The Acting Premier James Merlino has just announced changes to Victoria's COVID-19 restrictions, to help stop the spread of the virus. This follows cases of community transmission in Melbourne's north.

This means, **from 6pm** today in Greater Melbourne:

- Facemasks will be required indoors, for all people aged 12 and over; this includes in all offices and indoor workspaces.
- Private gatherings limited to 5 people per day.
- Public gatherings to 30 people.
- If people from Melbourne visit regional Victoria, they will need to wear a mask even if out of the Greater Melbourne area.

Metro continues to follow the latest public health advice and I'm encouraging you to do the same. The latest information, including a list of exposure sites, will be regularly updated at [coronavirus.vic.gov.au](https://coronavirus.vic.gov.au)

*"We're asking anyone who has been to any of the listed exposure sites, to please get tested and isolate as required – and that all Victorians stick to these additional measures so we can continue to stay safe and stay open."*

**- Martin Foley, Minister for Health**

The Acting Premier's statement is attached.

I also want to encourage you to stay connected with your one-up manager and remember that additional support is always available.

Our **Employee Assistance Program** is a free and confidential service available to all employees and immediate families. You can access it by calling 1800 808 374 or texting 0439 449 876.

People leaders can also access the **Manager Support Program** on 1800 505 015 for confidential support.

As always, please continue to practise the behaviours that will help everyone stay safe, and Victoria stay open. Working as **One Team**, we will keep Melbourne moving.

Take care and stay safe.

Raymond
