

Metro Academy Bulletin

Number: MA-BUL-2022-05

Issued: 06 June 2022

Purpose

The objective of this bulletin is to advise changes to course fees from **01 July 2022**

Background

Metro Academy offers 20 short courses, in the main, these are a combination of initial and renewal of the competencies required for Rail Safety Workers to perform their duties safely on the MTM Metropolitan Network.

These fees have been reviewed in line with commencement of the 2023 Financial year.

2023 Financial Year Fees

Each course has been reviewed, most fee increases aligned to CPI, some have had no increase applied.

Metro Academy Bulletin

Number: MA-BUL-2022-05

Issued: 06 June 2022

Five courses have had substantive increases, the following table provides additional detail to support these changes:

Training Title	Comment:
Construction Induction	Fees adjusted to align with operating cost model <i>Note: Review of fees has not occurred since 2020</i>
Track Force Protection Coordinator 3.2	Fees adjusted to align with operating cost model <i>Note: Review of fees has not occurred since 2016</i>
Track Force Protection Coordinator 3.3	This course has incurred additional operating expenses, notably, additional trainer requirements and increased TFPC 3.3 trainer rates.
Track Vehicle Operator 1	This course duration has doubled, requiring additional plant, facilities, and trainers <i>Note: this course was redesigned in 2021</i>
TFPC 3.3 Face to Face Renewal	This course has incurred additional operating expenses, notably, increased TFPC 3.3 trainer rates.
