

Introducing Metro's Community Education Program

Delivering free rail safety sessions for your students

Metro's free rail safety sessions, available for all Victorian Metropolitan Secondary schools & TAFE aim to keep your students safe around trains, tracks and stations.

Scan to book your free rail safety session today

Each year there are around

27 level crossing injuries

+1880 near misses

Our curriculum aligned sessions are designed for Years 7-9. Typically lasting 45 minutes and delivered by friendly and engaging presenters, our sessions cover:

- ✓ Staying safe around trains and tracks
- ✓ Dangers of Trespassing
- ✓ Journey Planning and MYKI
- ✓ Finding help or assistance

Here's what teachers are saying about the program:

"The presenter engaged the students the whole way through and was very personable from the get go. He encouraged students when they had questions and the students are thrilled he is coming back in Term 4 for the independent travel."

"Our presenter was incredible with the delivery of content! Our students were fully engaged the whole session. One week on and they still remember important concepts."
