COMMUNITY

EDUCATION

Community Education

Our Education Sessions, facilitated by our knowledgeable team, are delivered in-house at venues or community centres, and typically run between 50 and 90 minutes.

We also provide Travel Training sessions, which is an opportunity to explore Metro's train network, guided by our experienced staff. These sessions can run for 2-4 hours.

All sessions are available Monday to Thursday.

A fun engaging way to have a get together and learn more about all things Metro.

Go on a guided train journey with our team, to a destination of your choice.

We come to you. Our team will tailor the experience to your requirements.

Find out more or to book your Free Rail Safety session,
email community.education@metrotrains.com.au or visit www.metrotrains.com.au/education
