Community Education

Our Education Sessions, facilitated by our knowledgeable team, are conveniently delivered to you at your school, and typically run between 45 and 60 minutes.

We also provide Travel Training sessions, where students will explore Metro's train network, guided by our experienced staff. These sessions can run from 2 to 4 hours, providing an immersive and hands-on experience.

A fun and engaging way to learn relevant life skills.

Curriculum linked outcomes tailored to meet the needs of your students.

Our team brings the experience straight to your doorstep.
